

Dollar and Energy Saving Loans Replacement Appliance Application

Name

Mailing Address

Building Age (Yrs)

ABOUT THE LOANS

Dollar and Energy Saving Loans can finance the purchase of replacement appliances, provided the new appliance is ENERGY STAR® rated.

Eligibility for these improvements is based on ENERGY STAR® certification. ENERGY STAR® certified products provide energy efficient choices that can save on your energy bill with similar savings of greenhouse gas emissions, with-

out sacrificing features, style or comfort. You can ensure that the replacement products you are considering are ENERGY STAR® certified by verifying the manufacturer and model numbers in the appliance products section at <http://www.energystar.gov/> Your current appliance must be at least three years old and must be traded in or disposed of in some manner — you cannot keep it in your possession.

PROPOSED CONSUMER AND BUSINESS ENERGY EFFICIENCY IMPROVEMENTS

Type(s) of Appliance(s)		Old Appliance		New Appliance		Purchase Price

* Mark this box if the utility account is not in your name. Then attach the appropriate completed Form 35(s).

Signature

Water Heating

NEO Use Only

I hereby authorize the Nebraska Energy Office to obtain energy consumption, cost and billing information from the energy suppliers listed above. This information may include past and present as well as future consumption, cost and billing patterns. I also certify all the information supplied above is true and correct to the best of my knowledge and belief and I have read and understand the instructions. I will permit my lender and the Nebraska Energy Office, as they deem necessary, to have access to the subject property and records in order to make on-site inspections of the improvements or replacements which have been financed under the program. The work described above will be completed within 5 months after my lender receives a signed commitment from the Energy Office.

How is Your Water Heated?

- Electric
- Natural Gas
- Propane
- Fuel Oil
- Other _____

sign here  Signature _____ Date _____

You may NOT contract for or purchase the appliances you propose in this application prior to the Energy Office signing a Commitment Agreement (FORM 10) with your lender to participate in the loan.

If you do so, you will lose your eligibility to finance the appliances with a low interest loan.

You may accept a bid, contingent on the Energy Office's signed commitment of funding, to lock in the price, but you may not proceed with the purchase or contractually obligate yourself to proceed until your lender notifies you that the Energy Office has signed the Commitment Agreement on your loan.

INSTRUCTIONS

SPECIFIC LINE INSTRUCTIONS

WHO MAY APPLY. Only legal residents of Nebraska may apply for loans. A legal resident is a Nebraska taxpayer, a Nebraska partnership, a Nebraska-chartered corporation, a subdivision of Nebraska government or a person who has maintained a permanent residence and lived in the state for more than six months. Residency requirements may differ for Energy Star® business or non-profit partners.

Getting Bids. You should get bids or quotes first, so you will have them available for your lender.

Where to File. Take this form and the bids or price quotes to your participating lender for loan processing. If the lender of your choice is not participating in this program, contact the Nebraska Energy Office for the lender nearest you.

FOR INFORMATION. Contact the Nebraska Energy Office, P.O. Box 95085, Lincoln, NE 68509-5085, Phone: (402) 471-2867, Fax: (402) 471-3064, Email: energy@nebraska.gov Loan Program: <http://www.neo.ne.gov/loan/index.html>

NAME AND ADDRESS. Print or type your name and mailing address in the space provided. If the appliances are to be installed in or attached to a building, give the age of the building in years. Otherwise, mark "NA."

Lines 1-18. Mark the box for each type of appliance you intend to replace. Then fill out all the requested information for each appliance type for both old and new (replacement) appliances.

FUEL SUPPLIERS. If you have not completed this information on a Form 2, 3 or 4, provide the name, mailing address, telephone number and your account number for your electric utility and each of the fuel suppliers serving this address. If the only energy source for the building is electricity, check the box provided. If an account is not in your name, then check the box and attach a completed Form 35 with the information for that fuel supplier. (This might happen where a landlord is seeking a loan, but the tenant pays the energy bill.)

SIGNATURE. Sign and date this application and attach copies of the price quotes for the new appliance(s) described on this form. Take this application to your local participating lending institution to apply for a Dollar and Energy Saving Loan.

SUBMIT THIS COMPLETED FORM AND THE BIDS OR PRICE QUOTES TO A PARTICIPATING LENDER
